

Finley Structures Ltd

Modern Slavery Policy

Finley Structures Limited are proud of the steps we have taken to combat slavery and human trafficking. We have a zero- tolerance approach to modern slavery and are committed to acting ethically and with integrity in all our business dealings and relationships and to implementing and enforcing effective systems and controls to ensure modern slavery is not taking place anywhere in our own business or in any of our supply chains.

We are also committed to ensuring that there is transparency in our own business and in our approach to tackling modern slavery throughout our supply chains and we expect the same high standards from all our contractors, suppliers and other business partners.

This is achieved within our Pre-Qualification Questionnaire which includes a question targeting whether they have such a policy.
